Dear Mr Burke,

WNEW-TV

Some months ago, I saw your program concerning the Assassination of President Kennedy. A Mr. Wisberg, author of the Book "Whitewash" was your guest. While on your program, Mr Wisberg gave the address as to where to write for his Book.

I am interested in purchasing his Book but do not have his address & none of his Books have been on the stands in the vicinity of my Home.

Would you be so Kind as to send me an address where I might write Mr Wisberg for a Copy of his Book.

Thank you.

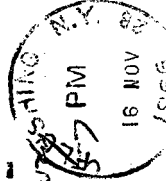

Sincerely,

Joseph W. Berish.

P.S.

Your program is very good but I don't get an opportunity to watch it often.
